## Weekend Away 2020

Friday 12<sup>th</sup> June to Monday 15<sup>th</sup> June

Newlands Holiday Park, Charmouth, Dorset, DT6 6RB

Arrival Friday 12<sup>th</sup> June 2020 from 3pm departing Monday 15<sup>th</sup> June 2020 by 10:30am

The weekend away for 2020 has been organised for us to visit Newlands Holidays in Charmouth, Dorset, which is on the Jurassic coast close to Lyme Regis. There are different types of accommodation available and we will major on what Newlands call the 'Motel', this has 11 rooms available with a central area which has space containing sofas, chairs & tables. This area will be set aside for our exclusive use, provided we fill all 11 rooms. In addition 6 rooms are available in the 'Poolside' apartments or elsewhere on site if required. Included in the per couple pricing shown below, is dinner, bed & breakfast for 2 people sharing, towels for showers in the rooms, however you will need to bring your own towel for use in the pool. There will be a general quiz on the Friday evening and a form of bingo on the Sunday evening after the meals.

Breakfast will be served in the conservatory between 8:30 -10am with a cereal option for those who wish to choose this over the normal full English, however be aware that the Soft play access opens at 10am when you may get the odd family walking through the conservatory down to this facility. Evening meals will take place in the same area and access to the soft play area will be closed from 7:30pm.

Swimming in the indoor pool for us will be charged at the reduced rate of £1 per swimmer per swim, the outdoor pool is free and operated on a key code. There is a bar which usually closes at 11pm Friday and Saturday evenings with Sunday limited to 10:30pm.

There will be the usual 'run out' on the Saturday morning (going out through Bridport, along the coast road with great sea views to finish in Portesham for a pub lunch. Along the way we will pass the Abbotsbury Swannery which may be an interesting stopping point.) and Sunday we will go to the beach for a guided walk with a qualified paleontologist and we can hunt for fossils, the total costs have been changed to include the guide for the walk.
