

## Arden MG Club, Directory of Services. V4 110925

New additions in this version									
This directory is intended to help club members identify garages and suppliers whom others have found reliable, knowledgeable etc. It is not intended that suppliers included in the directory be vetted in any way and neither Arden MG Club nor the editors of the directory or individual Members give or imply any kind of guarantee of work undertaken or take any responsibility for the quality of the services offered. It is still up to the individual to exercise due diligence and satisfy themselves that the service is right for them.
